

## Corrigendum

This is with reference to the advertisement on IARI web site regarding Walk in interview for the selection of JRF/SRF in the project entitled “**Exploring Heat-stable Rubisco activase from cereals for augmenting the activity of Rubisco in wheat (*Triticum aestivum* L.) under the heat stress**”, on 9<sup>th</sup> June 2017 at Division of Biochemistry IARI, has been post ponded due to some administrative problem. The next date of interview will be uploaded very soon.
