

## Celebration of “Jai Kisan Jai Vigyan” week at Lehchoura, (Baghpat)

Division of Agricultural Extension, ICAR-IARI, celebrated “**Jai Kisan Jai Vigyan**” week by organizing **Farmers-Scientists Interaction** under the project “Enhancing Nutritional Security and Gender Empowerment” at Village-Lehchoura, Baghpat (Uttar Pradesh) on 28<sup>th</sup> December, 2016. Dr.V.Sangeetha, Scientist (Ag.Extn.), Dr.V.Lenin,Senior Scientist (Ag.Extn.) Dr.Murlaikrishnan, Scientist (Ag.Extn.) and Dr.Shrawan Singh, Scientist (Vegetable Science) participated in this programme. Dr.Shrawan Singh delivered a talk on **Production technology cum nutritional values of cauliflower and importance of Nutri-Kitchen gardens**. A group of fifty farm men and women actively participated in this programme and interacted with the scientists.

In addition to this, a **competition on nutri-quiz and nutri-puzzle** were conducted to a group of thirty students studying 7<sup>th</sup> and 8<sup>th</sup> class from Adarsh Sanskar Vidyapeeth School, Lachora, Baghpat and prizes were distributed to the winners. During the interactive session, students were given awareness about “**Jai Kisan Jai Vigyan**” week and importance of agriculture and nutrition.
