

Nutrition Awareness Programme Organized at Kutbi

‘Nutrition Awareness Programme’ for farm women was organized at Village Kutbi, Muzaffarnagar (UP) on 12th December, 2017 under the project ‘Nutrition Education for Enhancing Nutritional Security and Gender Empowerment’. About 100 farm women of village Kutbi participated in the programme. Dr. N.V.Kumbhare, Incharge ATIC and Dr. V. Sangeetha, Scientist (SS), Division of Agricultural Extension, have given nutrition education to the farm women for enhancing food and nutritional security. They have also motivated and suggested the importance of nutri-garden and kitchen garden to the farm women. A majority of the farm women shared their feedback with the scientists. During the programme vegetable kits suitable for winter cultivation were distributed to the farm women. Shri Jaiprakash, Shri Virender Kumar and other farmers were also present during the programme and helped in mobilization of farm women and shared their feedback.
