

ICAR- Indian Agricultural Research Institute – Regional Station Indore – 452 001 (MP)

Farmer's training on vegetables and wheat production under 'Mera Gaon Mera Gaurav' on 8.12.2015

A training on Vegetables and Wheat production was organized by ICAR- IARI, Regional Station, Indore at Shipra on 8.12.2015 in association of NGO – Kriest Sewa Kendra under '*Mera Gaon Mera Gaurav*' a mega agricultural development programme. As a vegetable expert Dr. Dilip Kumar Mishra, SMS (Horticulture), KVK, Kasturbagram, Indore was called as expert and delivered a detailed lecture on vegetables production especially *rabi* season vegetables like Garlic, Onion, Cauliflower, Cucurbits etc. and answered all the queries made by farmers on problems they are facing or for future backup to grow vegetables. Thereafter, Dr. K.C. Sharma, Principal Scientist (Agronomy) of the institute gave a detailed lecture on 'Advances in wheat production technology for Central India' and answered all queries of farmers related to wheat. Total 30 farmers including 5 farm women participated in the training programme and participants belong to all adopted villages (Puvalda Dai, Puvalda Happa, Machhukhedi, Makodia and Jamodi) under '*Mera Gaon Mera Gaurav*'. Training programme ends with vote of thanks by Mr. Alex Thomas, Kriest Sewa Kendra, Shipra, Dewas. Shri Abdul Waseem, Technical (Extension) co-ordinated whole training activity and arranged all needful.
