

Strengthening Extension Activities at ICAR-IARI Regional Station, Katrain

ICAR – IARI Regional Station, Katrain (Kullu Valley) H.P. had organized a Vegetable field day at the Naggar Farm of this Station on 20 November, 2015. Chief Guest of this occasion was Dr. P.C. Thakur, former Pr. Scientist & Head of Station. One hundred farmers / farm women / rural youth and some of the senior representatives of private seed companies have participated. After the field visit by the participants' *Kisan Gosthi* was held where farmers interacted with the scientist of the station.

ICAR – IARI Regional Station, Katrain (Kullu Valley) H.P. had also organized a two day training programme on “Vegetable seed production technology for temperate region” at the Station from September 29 to 30, 2015 in which 20 farmers of eight villages participated. All the farmers got acquainted with improved technologies of vegetable seed production.
