**The terms and conditions will be as under:**

1. The Head of the Division of Fruits and Horticultural Technology, IARI, New Delhi reserves the right to accept or reject any of all bids without assigning any reason.
2. **In case the highest bid is accepted on the spot, the highest bidder will have to pay 30% on the spot on the highest bid alongwith a copy of ADHAAR CARD and shall have to make the balance payment of 70% will have to be made by the contractor within a week from the date of auction.** Failing, 0.5% will be charged per day as penalty on the full amount. On no accounts the fruits in the plots/orchards mentioned above shall be harvested before the dates indicated in column No.5 of the table.
3. If any highest bidder is unable to deposit required amount of that particular fruit commodity, will not be considered for next five year farm produce auction process. Further, the EMD amount deposited will be forfeited.
4. **There should not be any temporary or permanent structure constructed in the orchard area. If any such structure is raised, the contract will be cancelled. No refund will be made and he/she shall also be debarred for the next five years.**

5. In case the highest bid is not accepted on the spot the second highest bidder shall have to pay on the spot in cash 50% of bid and earnest money on the fall of the hammer. At intimation of acceptance of the bids by Head, Division of Fruits and Horticultural Technology, IARI, New Delhi, will be communicated to the highest bidder who within the time limit of the date mentioned in the notice shall have to remove the produce after making full payment in cash/Bank DD of the balance amount of the sale price of produce to the Cashier of the Division of Fruits and Horticultural Technology, IARI, New Delhi - 110012.
6. In both the cases covered vide clause (2&3) if the successful bidder fail to remove the produce within the stipulated period, the earnest money already paid by him shall stand forfeited by the Head, Division of Fruits and Horticultural Technology, IARI, New Delhi -110 012, who will be free to take any necessary action thereof.
7. The produce once auctioned cannot be taken back or exchanged.
8. The produce will have to be properly saved from birds etc. and picked by highest bidder without any damage to the trees at their own cost and remove with their own means. The Head of Fruits and Horticultural Technology, IARI, New Delhi -110 012 shall not be responsible for any loss damage or pilferage to produce. The highest bidder will however be permitted to keep guard for the period specified against the crops with intimation to Security Officer of the Institute.
9. All labour and other charges such as picking, transportation etc. will be borne by the successful bidder.
10. There should be no damage to the experimental material or fencing of the boundary etc. in case there is any damage, the successful bidder would bear the cost of damage with complete details.
11. Any tax if leviable shall have to be paid by the successful bidder.
12. Produce except those, auctioned will not be allowed to be removed. In the case the highest bidder or his worker is found doing so the contract will be nullified and the money deposited for the purpose will be forfeited.
13. The contractor will not stop any spray or other treatments of trees for experimental purpose.
14. The Divisional staff will have freedom to record all the observations on the trees and fruits.
15. The watch and ward for all the produce will be responsibility of the contractor failing which the present contractor will be nullified and will be black listed for the future auctions.
16. Firewood should not be used for cooking etc. in the orchard in any case. If any worker is found doing so the contractor will have to pay the penalty fixed by the Head of the Division.
17. If any fire accident occurs due to the negligence of the contractor or workers, the concerned has to pay the damage cost fixed by the Head of the Division.
18. The contractor will not be allowed to keep family in the orchard and the workers would stay adjacent to plot/block for guarding the plots.
19. Contractor will not be allowed to remove or damage any property of the Division. Contrary to this necessary action as mentioned under the terms and conditions will be taken.
20. Other terms and conditions will be announced on the spot.
21. Sale of farm produce in the orchard will not be allowed in any case.
22. The contractor will be required to intimate the name of the persons with full address and photocopy of identity card required for entering in the orchard or for watch and ward purpose.

23. The entire contract will be nullified and the money deposited for the purpose will stand forfeited in the event of violation of the above terms and conditions and in no circumstance would be allowed to subject the contract further.
24. All the bidders will have to deposit a sum of **Rs. 1000.00 (Rs. One thousand only)** before the start of the bidding process. The same will be refunded after the bid is over.
25. The contractor will harvest the fruits with the permission of the concerned scientist(s) engaged in research in the crop along with gate pass from the Farm Incharge.
26. Quantum of produce fruits required for the experimental research, teaching and extension purposes as given above will be supplied by the contractor at the specific rates announced at the time of auction.
27. The produce auctioned will have to be collected/harvested from research blocks during office hours, i.e. 9.30 AM to 4.30 PM only.
28. As directed by the Joint Director (Research), IARI, New Delhi, the sale of farm produce will only be allowed in the premises of the **Pusa Farm Produce Sale Counter**.

**Note: The contract of farm produce auction is strictly non-transferable.**
