

Yearly Status Report - 2017-2018

Part A			
Data of the Institution			
1. Name of the Institution	Indian Agricultural Research Institute		
Name of the head of the Institution	Dr ASHOK KUMAR SINGH		
Designation	Director		
Does the Institution function from own campus	Yes		
Phone no/Alternate Phone no.	01125842367		
Mobile no.	9899045037		
Registered Email	director@iari.res.in		
Alternate Email	aks_gene@yahoo.com		
Address	IARI, Pusa Campus		
City/Town	New Delhi		
State/UT	Delhi		
Pincode	110012		
2. Institutional Status			

University	Deemed
Type of Institution	Co-education
Location	Urban
Financial Status	central
Name of the IQAC co-ordinator/Director	Dr Pramod Kumar
Phone no/Alternate Phone no.	01125842416
Mobile no.	9910633210
Registered Email	incharge_pme@iari.res.in
Alternate Email	pramod_iari@yahoo.co.in
3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	https://iari.res.in/files/Latest- News/AOAR_REPORT_2016-17.pdf
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	https://www.iari.res.in/index.php?option=com_content&view=article&id=633&Itemid=196
5 Access Parties Bartella	

5. Accrediation Details

Cycle	Grade	CGPA	Year of	Vali	dity
			Accrediation	Period From	Period To
1	A+	3.51	2016	16-Sep-2016	15-Sep-2021

6. Date of Establishment of IQAC 11-May-2017

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture				
Item /Title of the quality initiative by IQAC Date & Duration Number of participants/ beneficiaries				
Research Advisory Committee	21-Dec-2017 2	40		

Academic council meeting	08-Feb-2017 1	39	
Academic council meeting	07-Jul-2017 1	41	
Academic council meeting	16-Dec-2017 1	38	
Extension Council Meeting	17-Jun-2017 1	89	
No Files Uploaded !!!			

8. Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Departmen t/Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
Division of Agricultural Economics	Centre of Advanced Faculty Training (CAFT)	ICAR	1995 9855	1756341	
Division of Plant Pathology	Centre of Advanced Faculty Training (CAFT)	ICAR	1995 9855	1528805	
Division of Agricultural Extension	Centre of Advanced Faculty Training (CAFT)	ICAR	1995 9855	3154500	
Division of Plant Pathology	National Certification System for Tissue Culture Raised Plants (NCS-TCP)	DBT	2016 1825	2310000	
Division of Biochemistry	Centre of Advanced Faculty Training (CAFT)	ICAR	1995 9855	968788	
ZTM &BPD Unit, IARI	ABIC	ICAR	2016 1825	3000000	
ZTM &BPD Unit, IARI	ZTMC	ICAR	2016 2190	750000	
	No Files Uploaded !!!				

9. Whether composition of IQAC as per latest NAAC guidelines:

Upload latest notification of formation of IQAC

10. Number of IQAC meetings held during the

year :	
The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	<u>View File</u>
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No

12. Significant contributions made by IQAC during the current year(maximum five bullets)

- o The academic rules and regulations for the year are delineated in the academic term calendar and is implemented through PG School, Dean, Professors, Board of Studies (BoS)
- o Significant contributions made by MSc/ PhD students is presented by the Professor of each Division at Annual Convocation week programme
- o To encourage students to do good work and to achieve excellence in education and research the selected MSc/ PhD students from each Division is invited to participate in Gold Medal presentation Award competition.
- o The Research programme for the year prepared by the Divisions in the Divisional Budget and Research Committee (DBRC), it is then implemented by the PIs/ Co-PIs of the projects and is evaluated in the Institute Research Council (IRC I), Institute Research Council (IRC II) and Research Advisory Committee (RAC).
- o The Extension activities of the Institute for the year are planned in the Extension Council Meeting

No Files Uploaded !!!

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes		
The academic calendar of the year is prepared and uploaded on website	The academic calendar of the year		
Research programme is prepared for a period of five years and annually revised by DBRC	Accomplished the research activities as per schedule.		
The Extension activities of the Institute is planned in the Extension Council meeting	The trainings, on farm demonstrations, farmers visits, Pusa Krishi Mela, etc have been achieved as per plans.		
No Files Uploaded !!!			

14. Whether AQAR was placed before statutory body ?	Yes
Name of Statutory Body	Meeting Date
DG ICAR	21-Dec-2017
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2020
Date of Submission	18-Dec-2020
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	PG School, IARI Management System exists for online management of academic activities of students. The system is available to students, faculty members, scientists and administrative staff of PG school. The management system includes, course management, student management, faculty management, administrative management, eLearning and student Research management system. The student management system monitors the progress of each student through constitution of advisory committees, Board of Studies, preparation, submission and approval of PPWs and ORWs. The online system facilitates conduction of qualifying examination, thesis submission and final viva voce examination. This system also operates for online submission of fees. Besides this, eoffice is in place for management of office files. Management of Information Services Financial Management System exists to take up Financial Management: Solutions for General ledger, Account Payable, Account Receivable, Cash Management, Fixed Assets Management, Budget Management and grants, Project Information, Costing, Project Documents, Contract Management and Collaboration of Project documents,

Material Management: Solutions for Purchase and Inventory Management, Human Resource: Employee information, HR policies, Leave Management, Performance and Appraisal System and Payroll System: Salary, GPF, Pension Payment, Retirement Benefit Calculation and Income tax calculation Solutions for all the ICAR employees.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Programmes for which syllabus revision was carried out during the Academic year

Name of Programme	Programme Code	Programme Specialization	Date of Revision
No Data Entered/Not Applicable !!!			
No file uploaded.			

1.1.2 – Programmes/ courses focussed on employability/ entrepreneurship/ skill development during the Academic year

Programme with Code	Programme Specialization	Date of Introduction	Course with Code	Date of Introduction
Nill	Nill	Nill	AG ECON 532: International trade	09/07/2010
Nill	Nill	Nill	AG ECON 550: Agricultural development and policy analysis	09/07/2010
Nill	Nill	Nill	AC 505: Agrochemical regulation, quality control and management	09/07/2010
Nill	Nill	Nill	AE 555: Testing and evaluation of agricultural equipment	09/07/2010
Nill	Nill	Nill	AE 620: GIS and remote sensing for land water resource management	09/07/2010
Nill	Nill	Nill	AE 657: Computer aided analysis and design of farm machinery	09/07/2010
Nill	Nill	Nill	AE 656:	09/07/2010

			Machinery systems for precision agriculture	
Nill	Nill	Nill	AG ECON 530: Agricultural marketing	09/07/2010
Nill	Nill	Nill	AG ECON 630: Agricultural price analysis	09/07/2010
Nill	Nill	Nill	AG ECON 641: Institutional and legal environmental for agribusiness	09/07/2010

1.2 - Academic Flexibility

1.2.1 - New programmes/courses introduced during the Academic year

Programme/Course	Programme/Course Programme Specialization	
No Data Entered/Not Applicable !!!		

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective Course System implemented at the University level during the Academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
MSc(Agriculture)	Nill	22/08/1958
PhD or DPhil	Nill	22/08/1958

1.3 - Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	Date of Introduction	Number of Students Enrolled
Advances in Breeding for Stress Resistance in Vegetable Crops (VSC611)	20/11/2017	5
Advances in Vegetable Breeding for Quality and Special Traits (VSC622)	02/04/2018	4
Algae in Agriculture and Industry (MB605)	02/04/2018	4
Applications of Microorganisms in Agriculture (MB606)	02/04/2018	6
Applied Microbiology (MB 608)	31/07/2017	9
Basic Horticulture (VS507)	31/07/2017	3
Biotechnology for	31/07/2017	5

Vegetable Crop Improvement (VSC 601)				
Breeding of Cross Pollinated Vegetable Crops (VSC 513)	20/11/2017	15		
Breeding of Self Pollinated Vegetable Crops (VSC522)	02/04/2018	10		
<u>View File</u>				

1.3.2 – Field Projects / Internships under taken during the year

Project/Programme Title	Programme Specialization	No. of students enrolled for Field Projects / Internships
MSc(Agriculture)	Economic analysis of agricultural diversification and its impact on farm income in Bihar; Biswajit Sen (20634), MSc (Ag Econ)	1
MSc(Agriculture)	Climate change and vegetable production: An analysis of impacts and farmers'adaptation strategies; Philip Kuriachen (20635), MSc (Ag Econ)	1
MSc(Agriculture)	Economic analysis of climate variability and its impact on crop production in Marathwada region of Maharashtra; Sunil Kumar BR (20637), MSc (Ag Econ)	1
MSc(Agriculture)	Analysis of digital divide in agricultural information delivery; Ms Laxmipriya Upadhyaya (20643), MSc (Ag Extn)	1
MSc(Agriculture)	An analytical study of ICT mediated social learning for risk adjustment in agriculture; Ms Priti Priyadarshini (20644), MSc (Ag Econ)	1
MSc(Agriculture)	A study of indigenous technical knowledge (ITKS) in tribal farming system of Himachal Pradesh; Sahil Swangla (20645), MSc (Ag Extn)	1
MSc(Agriculture)	An analytical study of yield gaps in major	1

	<pre>pulses; Gireesh S (20646) , MSc (Ag Extn)</pre>				
MSc(Agriculture)	Identification and validation of indicators of a model village; Ms Sonita Rani Sethy (20647) , MSc (Ag Extn)	1			
PhD or DPhil	Economic assessment of community based tank irrigation systems in rainfed regions of Andhra Pradesh; Kiran Kumar TM (10379), PhD (Ag Econ	1			
PhD or DPhil	Impact assessment of IARI-Voluntary organizations partnership extension model: A Multidimensional Analysis; Madan Singh (10402), PhD (Ag Extn)	1

1.4 - Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	No
Employers	No
Alumni	No
Parents	No

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The university has well-defined mechanism to obtain structured feedback from all the stakeholders viz. students, teachers etc, which is then scrupulously processed to derive actionable insights for improving the overall output and impact of the various teaching courses/programmes. To cite an examples at the end of each trimester, the students are provided with the a "Course evaluation proforma" for each course taught in that trimester for their candid and uninhibited feedback about the course. The "Course evaluation proforma" contains objective questions to assess the perception of the students regarding the course design and its implementation. The response of the students is analysed by the Professor of the Division as well as by the competent authorities in the PG School, ICAR-IARI and appropriate actions are taken immediately to fill in the deficiency gaps, if any, highlighted by the students for the further improvement of the course. If there is any shortfall as regard to the method and mode of teaching of any of the course instructors, he/she is personally advised by the Professor of the Discipline to take necessary measures to live up to the expectations of the students. Similarly, the course instructors whose teaching style is appreciated by the students, in the evaluation proformae submitted by them, are acknowledged for their performance at various platforms in order to encourage them to keep up the good work. Every year before the convocation programme, nominations of the consistently top-

performing faculty members are invited by the PG School, ICAR-IARI from each Discipline and BEST TEACHER AWARD(S) are decided upon amongst these nominees this award is conferred every year during the convocation programme. Furthermore, Board of Studies in each Discipline is constituted with faculty members from each category, alongwith one students' representative. The meetings of the BOS are regularly convened to deliberate and decide upon various issues concerning teaching programmes. The faculty members and students are encouraged to put forth their genuine concerns and viewpoints for their forwardal to the PG School for further discussion in the four standing committees. The recommendations of the standing committee are discussed and approved, if found suitable, in the Academic Council meetings, which are held at least thrice in a year. The elected representatives of the faculty and students (two each) are also members of Academic Council and can raise their concerns and innovative ideas in the academic council meetings to improve the teaching and learning practices at IARI. The feedback is also obtained from the IARI Alumni during the Alumni dinner organised in the Convocation week celebration. The concerns of common interest are also discussed at Professors' meeting organized at regular intervals by Dean and Joint Director (Edn.) IARI.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 - Student Enrolment and Profile

2.1.1 - Demand Ratio during the year

	Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled	
	MSc(Agricultu re)	Nill	155	Nill	143	
	PhD or DPhil	Nill	184	2039	183	
Ī	No file uploaded.					

2.2 - Catering to Student Diversity

2.2.1 - Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	institution	Number of teachers teaching both UG and PG courses
2017	Nill	326	Nill	505	Nill

2.3 - Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), Elearning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e- Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Numberof smart classrooms	E-resources and techniques used
505	505	10	32	6	12

View File of ICT Tools and resources

View File of E-resources and techniques used

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The Institute has developed a robust and vibrant student mentoring system over the years, which has contributed a great deal towards the skill- and knowledge-enrichment of the students, their employability leading to

significant enhancement in the overall output and impact of the institute at national and international arena. The mentoring of the students starts with orientation programme organized at the Institute level, attended by all the stakeholders viz. Director, Joint Directors, Associate Dean, MOHR, Librarian, medical Officer, HODs, Professors and faculty members etc. All the higher officials address the newly admitted students in this programme to encourage them and to make them aware about the facilities available in the institute, past achievements of the institute, various academic rules and regulations, expectations of the institute from the students and rich legacy and culture of the institute etc. To enable the students to quickly adopt to the new environment similar programmes are organized at the Divisional level also. The IARI has a unique system of appointment of one Professor in each Discipline, who looks after all the academic affairs of the division. During initial one month of students'admission, he and HOD guides the students for various academic activities. The allotment of the Research Guides to the students is done within the first trimester of their admission. After this, the Research guides take over the role of mentorship of the students allotted to them. He/she helps them in the selection of courses and in the constitution of their advisory committee, which has members from the major, minor and supporting divisions. The advisory Committee of the students help them to prepare their Plan of Post Graduate Work (PPW) and the Outline of Research Work (ORW). The advisory committee of the students meets regularly not only to provide ccounselling and assistance to the students but also to identify his/her strengths and weaknesses, taking appropriate measures to bridge the recognized gaps and further building on their strengths. Students are also counselled by Master of Halls of Residence (MOHR) and wardens of their respective hostels. The institute has a placement cell which provides the much-needed career guidance to the students along with HOD, Professor, and their respective Research Guides. Besides, an honorary "Lady Students' Adviser" is nominated by the Dean to look after the welfare and needs of lady students. In addition, an honorary "Foreign Students' Adviser" is nominated by the Dean to not only to look after the academic needs and problems of the foreign students but also to make them aware about social and cultural fabric of India. A Hospitality Committee functions under the Chairmanship of the Foreign Students' Adviser to look after the comfort of foreign students. A qualified Medical Officer takes care of health for better efficiency and output The Medical Officer resides on the Institute campus and is thus available during day and night. The medical service is provided free to students at the dispensary. The PG School, IARI, New Delhi has Standing Committee on Students Problems Discipline, Welfare, Board and Residences

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
1106	505	1:2

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
572	505	67	13	416

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2018	Dr. Sai Prasad	Professor	Fellow' award from NAAS, New Delhi by National Academy of Agricultural Sciences
2018	Dr. Sai Prasad	Professor	Best Poster Award by International Conference on Global Research Initiatives for Sustainable

			Agriculture Allied Sciences
2017	Dr. Madhu Patial	Assistant Professor	Certificate of excellence by Education expo TV held at Bangalore
2018	Dr. R. K. Sharma	Professor	Elected as Treasurer, Indian Society of Genetics Plant Breeding by Indian Society of Genetics Plant Breeding
2018	Dr. P. K. Singh	Professor	Elected Fellow of Indian Society of Genetics and Plant Breeding by Indian Society of Genetics Plant Breeding
2018	Dr. P. K. Singh	Professor	V S Mathur Memorial Award, Indian Society of Genetics and Plant Breeding by Indian Society of Genetics Plant Breeding
2017	Dr. Kiran B. Gaikwad	Professor	Young Scientist Award: In 3rd International conference on Bioresources Stress Management by VishwaBharti University, Kolkata Indian Council of Agricultural Research, New Delhi, India
2017	Dr. Anju Mahendru Singh	Professor	Honoured as team member with Best paper award by the Association of Food Scientists and Technologists (India)
2018	Dr. Vinod	Professor	Elected Fellow National Academy of Agricultural Sciences by National Academy of Agricultural Sciences
2018	Dr. S. K. Jha	Professor	DST-SERB early career research award with a

2.5 - Evaluation Process and Reforms

2.5.1 - Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year- end examination	Date of declaration of results of semester- end/ year- end examination
MSc(Agricultu re)	Nill	Trimester-II	01/04/2017	08/04/2017
MSc(Agricultu re)	Nill	Trimester-III	22/07/2017	29/07/2017
MSc(Agricultu re)	Nill	Trimester-I	18/11/2017	25/11/2017
PhD or DPhil	Nill	Trimester-II	01/04/2017	08/04/2017
PhD or DPhil	Nill	Trimester-III	22/07/2017	29/07/2017
PhD or DPhil	Nill	Trimester-I	18/11/2017	25/11/2017
		No file uploaded	l.	

2.5.2 - Average percentage of Student complaints/grievances about evaluation against total number appeared in the examinations during the year

Number of complaints or grievances about evaluation	Total number of students appeared in the examination	Percentage
Nill	237	0

2.6 - Student Performance and Learning Outcomes

2.6.1 - Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

http://pqs.iasri.res.in/pqs main.asp

2.6.2 - Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage
Nill	MSc(Agricu lture)	Nill	140	140	100
Nill	PhD or DPhil	Nill	97	97	100

No file uploaded.

2.7 - Student Satisfaction Survey

2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

https://www.iari.res.in/files/Latest-

CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - Teachers awarded National/International fellowship for advanced studies/ research during the year

Туре	Name of the teacher awarded the fellowship	Name of the award	Date of award	Awarding agency
National	Dr. K. K. Vinod	Elected as Fellow of Indian Society of Genetics and Plant Breeding	Nill	ISGPB
National	Dr. M. G. Mallikarjuna	Awarded Early Career Research grant from DST- SERB, GOI from 2018 to 2021	Nill	DST-SERB, GOI
National	Dr. S. P. Singh	Fellow ISGPB	Nill	ISGPB
National	Dr. Nirupama Singh	Excellence in Research Award	Nill	International Conference on Global Research Initiatives for Sustainable Agriculture Allied Sciences, 02-04 December, 2017, MPUAT, Udaipur, Rajasthan
National	Dr. Rajendra Kumar	Fellowship recognition award	Nill	Indian Society for Pulses Research Development (ISPRD)
National	Dr. Gyan Prakash Mishra	Selected as NAAS Associate	Nill	National Academy of Agricultural Sciences
National	Dr. Gyan Prakash Mishra	Membership of the National Academy of Sciences, India (NASI) during 2018.	Nill	National Academy of Agricultural Sciences
National	Dr. Vinod	Elected Fellow National Academy of Agricultural Sciences	Nill	National Academy of Agricultural Sciences
National	Dr. S. K. Jha	DST-SERB early career	Nill	DST

		research award with a project of Rs. 28,74,744/- by DST-SERB		
National	Dr. Sai Prasad	Fellow' award from NAAS, New Delhi	Nill	National Academy of Agricultural Sciences

3.2 - Resource Mobilization for Research

3.2.1 – Research funds sanctioned and received from various agencies, industry and other organisations

Nature of the Project	Duration	Name of the funding agency	Total grant sanctioned	Amount received during the year
Major Projects	1095	ICAR, AIREA, BARNS, CSIR, DAC, DBT, DST, NFSF, IMD, MOHRD, MSME, NCPAH, NHB, PPVFRA, RKVY, SAC	31511.41	7062.8
Minor Projects	1095	ICAR, ATARI, DRDO, MIDH, NABARD, NMSA,	321.77	72.13

		PPVFRA, DBT, DST		
Industry sponsored Projects	1095	Ajay Bio tech India Ltd	28.94	6.49
Projects sponsored by the University	2555	IARI	643	643
International Projects	1095	BMGF, PEER, GCFSI, CIMMYT, IRRI, IFPRI, ICARDA	542.43	121.58
Total	Nill	Nill	33047.62	7906
No file uploaded.				

3.3 – Innovation Ecosystem

3.3.1 – Workshops/Seminars Conducted on Intellectual Property Rights (IPR) and Industry-Academia Innovative practices during the year

Title of workshop/seminar	Name of the Dept.	Date			
Workshop on Current Funding opportunities for Start-ups' organized under 'Arise, Launchpad for Agri Start-ups	ZTMBPD UNIT	01/03/2017			
Hands-on Training on Prior-art Search	ZTMBPD UNIT	15/11/2017			
Soil Health Management - ADP	ZTMBPD UNIT	30/10/2017			
Intellectual Property Rights Business	ZTMBPD UNIT	10/04/2017			
Rapid Degradation of Agro-Residues with Low- Cost Input	ZTMBPD UNIT	10/06/2017			
GST (Goods Service Tax)	ZTMBPD UNIT	20/07/2017			
Intellectual Property Rights on Nutritional Security	ZTMBPD UNIT	19/09/2017

3.4 - Research Publications and Awards

3.4.1 - Ph. Ds awarded during the year

Name of the Department	Number of PhD's Awarded
Agricultural Chemicals	1
Agricultural Economics	2
Agricultural Engineering	12
Agricultural Extension	1
Agricultural Physics	3
Agricultural Statistics	5
Agronomy	9
Biochemistry	4
Bioinformatics	1
Entomology	7
Environmental Sciences	3
Genetics and Plant Breeding	8
Horticulture	13
Microbiology	4
Molecular Biology and Biotechnology	7
Nematology	1
Molecular Biology and Biotechnology	7

Plant Genetic Resources	4
Plant Pathology	2
Plant Physiology	2
Post Harvest Technology	1
Seed Science and Technology	4
Soil Science and Agricultural Chemicals	3

3.4.2 - Research Publications in the Journals notified on UGC website during the year

Туре	Department	Number of Publication	Average Impact Factor (if any)			
National	Agricultural Chemicals	10	Nill			
National	Agricultural Economics	7	Nill			
National	National Agricultural Engineering		Nill			
National	National Agricultural 7 Extension		Nill			
National	Agricultural Physics	10	Nill			
National	Agronomy	14	Nill			
National	Entomology	13	Nill			
National	Genetics and Plant Breeding	42	Nill			
National	Floriculture and Landscaping	22	Nill			
National	Fruits and Horticulture Technology	11	Nill			
<u>View File</u>						

3.4.3 – Books and Chapters in edited Volumes / Books published, and papers in National/International Conference Proceedings per Teacher during the year

Department	Number of Publication
Agricultural Chemicals	22
Agricultural Economics	2
Agricultural Engineering	12
Agricultural Extension	11
Agricultural Physics	3
Agronomy	42
Biochemistry	6
Entomology	23
Environmental Sciences	14
Genetics and Plant Breeding	26

3.4.4 - Patents published/awarded/applied during the year

Patent Details	Patent status	Patent Number	Date of Award
Development of polymeric formulations of bioactive molecules and method of preparation thereof	Published	295150	28/03/2018
process of making stable neem meliacin(s) concentrates and products with controlled active ingredient release	Published	291334	02/01/2018
preparation of liquid pesticidal concentrates of neem meliacin(s)	Published	293925	07/03/2018
An Apparatus For in vivo Mass Production Of Entomopathogenic Nematode	Filed	201711000736	01/07/2017
Method and Apparatus for Side View Imaging for Field Phenotyping of Crop Biomass and Growth	Filed	201711016288	05/09/2017
A novel bio- pesticidal formulation with improved shelf-life and the method for its preparation	Published	284264	15/06/2017
Urea Molasses Mineral Block Machine	Published	283378	18/05/2017
Development of slow release nano formulations of bioactive molecules and method of preparation thereof	Published	290155	30/11/2017
A product and process for the decontamination of pesticide residues from vegetables by using safe reagent	Published	290363	07/12/2017

Anti-oxidant and	Published	290085	29/11/2017			
anti-bacterial di-						
aryl-indazol-3-ols						
and their method of						
preparation thereof

3.5 - Consultancy

3.5.1 – Revenue generated from Consultancy during the year

Name of the Consultan(s)	Name of consultancy	Consulting/Sponsoring	Revenue generated

department project		Agency	(amount in rupees)
Dr. Sharad Mohan, PS, Division of Nematology	Dissemination of entomopathogenic tea garden in West Bengal and Assam	Ajay Bio tech (India) Ltd.	2894458
Dr. Naresh Kumar, Prof. CESCRA	"Assessment of Climate Change Impacts, Vulnerability and Adaptation: a regional assessment on agriculture' for enabling India's Third National Communication to UNFCCC: agriculture"	Ministry of Environment, Forest and Climate Change (MoEFCC	3089000
Dr. R.S. Bana, Scientist-PI, Division of Agronomy	"Evaluation of 'Plant nutrient supplements' for productivity and nutrient use efficiency of major cropping system"	Indogulf Cropsciences Ltd.	1533525
Dr. Suresh Nebapure Scientist, Division of Entomology	"Studies on monitoring and management of insect pests using innovative pheromone formulations"	ATGC Biotech Pvt. Ltd.	1086336
Dr. Dinesh Kumrar Principal Scientist, Division of Agronomy	"Agronomic Evaluation of ZnO Nanoparticle Embedded N:P:K (15:15:15) Complex fertilizer in rice- wheat cropping system"	Rashtriya Chemicals Fertilizers Limited	1488783
Dr. Bindvi Arora Scientist Division of FSPHT of FSPHT of FSPHT optimization of antioxidant rich green leafy vegetables (GLVs) based reconstitutable power.		Bharat Budhiraja, KrIsh Perennials Pvt. Ltd	818549
Dr. D.R. Biswas Scientist, Division of SSAC	"Development and Evaluation of Enriched Organic Manure with Rock Phosphate for Enhancing Crop Production and Soil Fertility"	M/s Giriganga Infrasolutions Private limited to Aquagreen Engineering Management Pvt. Ltd. (AEMPL	2722614

Dr. R.N. Sahoo, PS-PI Division of Agril. Physics	"Developing need based precision technologies for Viticulture'	M/s Mahindra Mahindra Ltd	1445826			
Dr. J.P. Singh, PS, Entomology-PI	"Evaluation of Quinalphos and its analogous against Helicoverpa armigera and Aphis gossypil"	Gharda Chemicals Limited, Maharashtra	245110			
Dr. Irani Mukherjee, Prof. Principal Scientist, Division of Ag. Chemicals	To study the residue and dissipation of tebuconazole 430SC (Folicur) in Chilli	Bayer Crop Science Ltd.	230000			
View File						

3.5.2 – Revenue generated from Corporate Training by the institution during the year

Name of the Consultan(s) department	Title of the programme	Agency seeking / training	Revenue generated (amount in rupees)	Number of trainees
CATAT, IARI, New Delhi	Improved agricultural practices for higher productivity income, 21-25 March 2017	ATMA Nagaur, Rajasthan	24450	30
CATAT, IARI, New Delhi	Improved crop production technologies for cereals and pulses, 9-25 Sept 2017	ATMA Naguar, Rajasthan	24450	30
CATAT, IARI, New Delhi	Improved crop production technologies for higher income, 4-10 Oct 2017	ATMA Jaipur, Rajasthan	24450	31
CATAT, IARI, New Delhi	Improved technologies for water management in crops, 11-16 Dec 2017	ATMA Purnia, Bihar	15365	18
Division of Soil Science and Agricultural Chemistry	ICAR- Sponsored HRD Training on "In strumentation Techniques for Analysis of Soil, Plant and Water", 04-130c	ICAR- Sponsored	256750	17

	tober2017			
Division of Soil Science and Agricultural Chemistry	14th Advanced Level Training on Soil Testing, Plant Analysis and Water Quality Assessment, 08-28 Dec. 2017(3 weeks)	Self- sponsored	680000	16
Department of Seed Science and Technology	Seed production in field and vegetable crops(Kharif) 3-7 Oct., 2017	NSC, New Delhi	210000	23
Department of Floriculture and Landscaping	Training on Ornamental Horticulture and Landscape Gardening organised by Division of Floriculture and Landscaping, IARI, New Delhi.	for Section Officers (Horticulture), Delhi Development Authority (24-30 December, 2018) 1st Batch	224400	40

Total	3350	140	3350	0	120	1350	1740	1	0

4.3.2 - Bandwidth available of internet connection in the Institution (Leased line)

1 MBPS/ GBPS

4.3.3 - Facility for e-content

Name of the e-content development facility	Provide the link of the videos and media centre and recording facility
No Data Entered/No	ot Applicable !!!

4.4 - Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurredon maintenance of physical facilites
700	700	2145	2145

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The institute has a well-oiled system in place for the maintenance of the physical, academic and support facilities built in the campus over the years. Adequate budgetary provisions are made during allocation of the annual budget for undertaking this all-important work. The cleanliness in each division of the institute is maintained on daily basis by the permanent skilled supporting staff members along with the contractual staff, specifically hired for the aforementioned purpose, under the guidance and supervision of a designated building in-charge in each division. The construction repair and electrical maintenance work in the institute is undertaken by CPWD. Besides, there is a separate unit viz. Farm, Horticulture and Landscape Operation Service Unit (FHLOSU) in the institute, which not only looks after the day-to-day repair and maintenance of the imported and indigenous machines but also supervises all the landscaping work, maintenance of gardens/lawns of the Institute and its residential areas. Every department maintains a stock register for the available equipments. Proper audit of the stock takes place at the end of every year and reports submitted for future records and references. The maintenance of equipments/instruments housed in different divisions is undertaken by the concerned HOD as per the laid down General Financial Rules (GFR). The annual Maintenance Contract (AMC) of all costly and sensitive instruments/equipments in these divisions is obtained for their uninterrupted and hassle-free use by the beneficiaries. The log book for the use of all the instruments is properly maintained. The IT equipment for providing Internet services throughout the campus is also kept under AMC. The servers and data centre equipments are managed by System Administrator. The LAN maintenance is under the Network Administrator. The website and online application activities are managed by Website administrator. A senior faculty member has been appointed as an Incharge of the central library, who along with the Librarian, technical officers and other supporting staff manages its day-to-day affairs. At end of the Academic year stock verification is done and librarian prepares the report.. Procurement of books as per the requirement is done through a committee by inviting the requirement of books from various departments which is then processed following the standard procurement procedure. Needless to mention that during the execution of all the purchases, the Government of India (GOI) rules, regulations and guidelines are followed mutatis mutandis.

2017	Silver	National	1	Nill	Nill	Nill
No file uploaded.						

5.3.2 – Activity of Student Council & Expresentation of students on academic & Expresentative bodies/committees of the institution (maximum 500 words)

The IARI has an active Students' Union known as Post Graduate School Students'
Union (PGSSU), who puts forth major concerns of the students and issues related
to them at different fora for their resolution and implementation. The
Executive Committee of PGSSU comprises of following elected members: (i)
President (ii) Vice President (Girl) (iii) General Secretary (iv) Games and
Sports Secretary (v) Finance Secretary (vi) Social Cultural Secretary (vii) The
students representative to the Academic Council (viii) Five class
representatives (ix) Literary secretary (Girl) (x) Alumni secretary (xi) Career

Council and Placement Secretary. The Board of Studies (BOS) in each Discipline also has a students' representative, who actively takes part in the decision making in the matters pertaining to the various academic activities of that particular Discipline. Two student representatives are also appointed as member of the Academic Council in the following manner: 1. The President, PGSSU is an ex-officio student representative in the Academic Council. 2. The second student representative is elected every year by secret ballot by the members of the PGSSU through the same election process adopted for electing the Executive of the Post Graduate School Students' Union. 3. The tenure of the student representative is one year. Furthermore, the President PGSSU elected students' representative are also members of following three Standing Committees: • Standing Committee on Scholarships, Financial Assistance and Academic Progress • Standing Committee on Students Problems and Discipline, Welfare Board and Residences • Standing Committee on Courses, Curricula and academic affairs Students Welfare Fund is maintained in the PG School, IARI. The student welfare fund is granted advance loans to the needy students for special purposes. This fund is administered by a committee known as Students Welfare Committee. The President, PGSSU and Finance Secretary, PGSSU are members in this committee. Furthermore, the students are also kept members in the committees constituted for prevention of sexual harassment and ragging at work place and for promotion of gender sensitization. The students are also members in the various committees constituted for successful organization of various annual events at the institute such as convocation week programme, various award lectures, teachers day celebration, international women's day celebration, Girrl child day celebration, Krishi Vigyan Mela, etc.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

IARI has a registered Alumni Association, which has been created with a primary aim of networking its alumni and developing a sense of community amongst them. Alumni are one of the main stakeholders of the University as they contribute immensely to the functioning and development of the university in multiple dimensions. The institute is utilising the services of Alumni in various committees like Institute Research Council, Research Advisory Council, Quinquennial Review Team, etc. The Alumni are also being encouraged to join as Adjunct Faculty to strengthen teaching and research activities. The Alumni are also welcome to serve IARI as National Professor, Eminent Scientist, Eminent Professor, etc. The Alumni also form pool of resources for evaluation of thesis, external examiners of students'theses and for conducting Qualifying Examination. The Alumni serving in various ICAR institutes, SAUs and Private Firms are welcome to take up collaborative or joint research projects. Besides, they are providing mentoring services to the current students of the institute. Through their rich experience they are helping the students to understand the requirements of various industries and educating them to plan and shape their career in right direction. Students also get opportunity to work in the labs of some of the alumni to gain research experience in cutting edge technologies. They are also imparting them first-hand knowledge about the various steps and procedures needed for setting up their own start-ups. During the convocation week celebration of the institute, alumni are invited for the convocation week celebration and they share their memories and experiences during convocation dinner. This helps them to rekindle their old relationships. Alumni Directory is regularly updated to keep the contact alive with all the IARIians.

5.4.2 – No. of registered Alumni:

5.4.3 – Alumni contribution during the year (in Rupees) :

No Data Entered/Not Applicable !!!

5.4.4 - Meetings/activities organized by Alumni Association :

Alumni meet was organized on the 9th Feb 2018 convocation and the alumni are invited to participate and give their feedback.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institute follows a professional approach in managing the various academic and administrative activities by way of decentralization and participative management. The Director of the institute gives adequate budgetary allocation of funds to the Joint Directors and Heads of Divisions (HODs) along with the generous freedom and flexibility for their utilization to ensure full, independent and effective discharge of their responsibilities and functions. The HODs are empowered to sanction indents amounting to Rs 1 lakh. Monthly meetings of the HODs are conducted by the Director to review the progress made and to chart out the future course of action. Similarly, at the divisional level a Divisional Budget and Research Committee (DBRC) is constituted by including members from different categories of scientists as well as an Administrative Officer. The Chairman of DBRC is head of the Division. The major issues pertaining to equitable and judicious use of allocated funds as well as strategies for enhancing the impact of the ongoing research activities in the division, new programmes to be undertaken and ways to secure additional funds from external sources are thoroughly discussed in the regular meetings of the DBRC and recommendations sent to the Director, IARI for further approval. For an effective efficient implementation of the academic vision of the institute and for seamless discharge of the Institute's mandate in this regard, Board of Studies (BOS) is constituted in each division with members from different strata of scientists. The chairperson of BOS is the Professor of the division and it also includes one Students' Representative. All the major decisions for maintaining, nourishing and improving the teaching standards in the division are taken by the BOS under the guidance of Director and Dean of the institute. The Professor of the division is given full freedom to effectively utilize funds allocated for strengthening PG activities in the division as per the GFR. The four standing Committees, IQAC under the guidance of competent authorities are involved in defining policies procedures, framing guidelines and rules regulations pertaining to admission, examination, discipline, grievance, support services, finance etc.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 - Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details		
Research and Development	• Identification of research topics is done by the faculty and submitted to BOS of Disciplines, six months in advance to admission of students. HoD,		
	Professors and all the faculty members are involved in deciding the advisory		

committee of students and research topics • Allotment of Chairperson is based on students merit and their preference for thesis research topics. Strict monitoring of students research progress by advisory Committee, presentation before faculty and BOS members is done meeting. Modification/ corrective measures if any in the approved research work with the permission of the PG school are taken. External evaluation of thesis is done. PhD thesis is evaluated by two external experts not below the rank of Professor M.Sc/ M.Tech thesis is evaluated by one external examine. Incorporation of all the suggestions/ comments as suggested by the external examiners in the final version of the thesis is done. For PhD students, publication of two research papers (one published another communicated) in journal with NAAS score >5.0 is compulsory.

Library, ICT and Physical Infrastructure / Instrumentation

• Online journals and books are subscribed, which are accessible to all the students • Internet and intranet and Wi-Fi connectivity has been provided at all the divisions and hostels • The Institute established a National Phytotron Facility in 1997, to study the live responses of plants under controlled conditions. • There is a well-equipped Pesticide Referral Laboratory to analyze referred samples for pesticides. • Scanning Electron Microscope Facility (SEMF) at Division of Entomology • This Farm Machinery Testing Centre, Division of Agricultural Engineering, • ASRB Online Examination Centre has being established at IARI. • Through CeRA (Consortium for eResources in Agriculture), the institute providesonline access of approx. 2380 e-Journals on LAN to scientific community. • Prof. M S Swaminathan Library has created Online Public Access Catalogue (OPAC) of resources of 36 libraries with "Online Computer Library Center" (OCLC) partnership. • The e-Language lab has been established with seating capacity of about 50 participants to facilitate language classes for foreign students. • There is a Central Laboratory for Soil and Plant Analysis at IARI.

Human Resource Management

• HRD cell of IARI get the training

plan for all staff from each discipline. Training programmes are organized at Institute and staff is sent for participation at National and International level. • Scientists and students are encouraged to participate in training both at national and international level through fellowships. • Grant is providing to faculty and students for attending various workshops/symposia/conferences etc. to broaden their horizon, skills and to foster new linkages. In APAR the reporting officer identify the training needs of the scientists and faculty is sent for training accordingly. Industry Interaction / Collaboration IARI students are encouraged to apply for PM fellowship in which the industry sponsors certain percent of Fellowship and student research is decided based on the need of the industry. Consultancy/ Contract research projects are being taken up by the scientists. BIRAC/DST.DBT projects involving industry is taken up by scientists. Students are encouraged to go for internship/ short course in Industry. IARI technology is commercialized to private firms through ZTM BPD Unit Admission of Students The Board of Studies (BoS) in each Discipline prepares the requirement of number of M.Sc. and PhD seats and submit to PG School. Hereafter, approval of Academic Council is obtained. The total seat requirement is communicated to the Education Division of ICAR. The Institute admits students to the Post Graduate School under five separate streams as indicated below: (A) Open competition (B) Faculty Upgradation Scheme (FUS) (C) Departmental stream (Scientific and Technical) (D) ICAR in-service nominees (E) International students. M.Sc. and M.Tech. degree courses: Entrance examination for admission to M.Sc. and M.Tech. degree courses is undertaken by the Education Division of ICAR and on the basis of merit, the ICAR finalizes the admission for 23 M.Sc. and one M.Tech. degree courses at IARI. Ph.D. degree courses: Admission to the Ph.D. courses in 22 disciplines is based on performance of candidates in the written entrance examination (70 weightage) academic score (20 weightage) interview (10 weightage).

	obtained. The total seat requirement is communicated to the Education Division of ICAR.
Curriculum Development	• Institute follows the course curriculum as recommended by the ICAR-BSMA (Broad Subject Matter Area) committees, which is being implemented in the teaching programme of 26 disciplines. • The curriculum is in line with international standards and covers frontier areas of science.
Teaching and Learning	• Periodic monitoring of the academic progress is done by Dean Joint Director (Edn.) during his/her meetings with the Professors of each teaching discipline. Strict compliance of the academic regulations and calendar time lines are followed right from the admission to convocation ceremony. The PG School has developed PGS online management system for paperless work for academic activities in all the 26 Disciplines. Online submission of all the proposals of students viz., student credentials, attendance, trimester grades, progress report, PPWs, ORWs, qualifying exam and thesis submission proposals, e-thesis etc is done. Frequent visits of Dean and Joint Director (Education) is made in the Divisions and interactions are done with students and faculty. Compulsory meeting of student Advisory Committee at least once during each trimester is done. • External examiners are invited for the Qualifying examination of PhD students • Board of Studies meeting in each discipline are held atleast one in each quarter
Examination and Evaluation	For Qualifying exam and Thesis viva voce, expert is called from outside IARI and analytical questions are asked. During each trimester, students performance is evaluated based on quizzes, Mind term and Final examination is done. Practical exams are conducted separately.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details			
Planning and Development	IARI is using the ERP solution developed by IASRI for ICAR namely "Management Information Services (MIS) including Financial Management System (FMS)" (MIS FMS). The system has provisions for: Project management: Scope for Project information, costing,			

	project documents, contract management and grants Material management: Solutions for Purchase and inventory management
Administration	e-office is being implemented for the purpose management of office files comprising of file movement and administrative approval e-Tender is followed for purchase of scientific equipments with amount beyond Rs 1 crores
Finance and Accounts	IARI is using the ERP solution developed by IASRI for ICAR namely "Management Information Services (MIS) including Financial Management System (FMS)" (MIS FMS). The system has provisions for: Financial Management: Solutions for general ledger, account payable, account receivable, cash management, fixed assets management, budget management and grants Payroll system: Salary, GPF, Pension payment, retirement benefit calculation and income tax calculation, etc.
Student Admission and Support	PG School, IARI Management System for online management of academic activity of students. The system is available to students, faculty members, scientists and administrative staff of PG School, IARI. It has following sub modules (a) Course management (b) Student management (c) Faculty management (d) Administrative management (e) e-Learning (f) Student research management
Examination	"PG School, IARI Management System" for online management of academic activity of students. The system is available to students, faculty members, scientists and administrative staff of PG School, IARI. The students course grades are uploaded online into the PG School, IARI Management System by the Course leader which is approved by Professor and Dean The proforma for taking up qualifying examination submission of thesis is submitted online in which the Chairman, professor and HoD provide the names of external examiners which is finally selected by the Dean The results of qualifying examination and the thesis is submitted online into the "PG School, IARI Management System"

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
2017	Awtar Singh	National Seminar on "Enhancing Productivity of Fruit Crops- Mitigating major challenges", IIHR, Bangaluru, 8th January, 2017.	Society for the Promotion of Horticulture, Bangalore	7500
2017	Dr Ananta Vashisth	XIV National Seed Seminar on Food Security through Augmented Seed Supply under Climate Uncertainties. 28-30 January, 2017. ICAR- IARI, New Delhi.	Indian Society of Seed technology	6000
2017	Dr Ananta Vashisth	6th International Conference on Recent Advances in Agriculture and Horticulture Sciences (ICRAAHS-2017)" during 16-17 December, 2017 at New Delhi.	The Society of Tropical Agriculture	12500
2017	Dr Ananta Vashisth	"National Seminar Agromet eorological Practices for Climate Resilient Farming and Food Security (AGMET-2017)" held at CCS Haryana Agricultural University, Hisar during 12-14 October,	Association of Agrometeorol ogists	3000

		2017.		
2018	A Mandal	14 day Skill Development Training on "Nanoparticles for Application in Biology" at CCMB, Hyderabad (19th February-3rd March, 2018)	CSIR-CCMB, Hyderabad	25000
2017	Dr. Manimaran, B.	National symposium on climate smart agriculture for nematode management	Nematological Society of India	5000
Nill	Dr. Ruma Das	National Seminar on "Nutrients and pollutants in s oil-plant- animal-human continuum for sustaining soil, food and nutritional security - way forward" to be held at BCKV, Kalyani, West Bengal during 09-10 June, 2017	BCKV, Kalyani, West Bengal	13000
Nill	Shiva Dhar, A.K. Vyas and A. Kumar	Productivity of wheat under preceding legumes and cereals cropping with organic and inorganic nutrition: Oral Presentation in Agriculture and Agro forestry Section at 104th Indian Science Congress, at Tirupati from 3-7th Jan, 2017.	Indian Science Congress	6000
Nill	Dr SS Rathore	22th Annual Group Meeting Of Rapeseed-	AICRP-RM, DRMR	3000

6.4 - Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

The Institution has an established mechanism for conducting internal and external audits on the financial transactions every year to ensure financial compliance. Internal audit is conducted half yearly by the internal financial

committee of the institution. The committee thoroughly verifies the income and expenditure details and the compliance report of internal audit is submitted to the management of the institution. External audit is conducted once every year by an external agency. • External Audit is conducted by the C A. G. Office as per its Audit calendar. • Internal Audit of the institute is conducted by the ICAR headquarter on yearly basis. • Besides, the physical verification of the stores and divisional libraries is conducted in each division by an in-house committee constituted by HOD for the aforesaid purpose.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

- 6.5.2 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges? (if applicable)
 - Funds have been provided to IASRI, NBPGR and NIPB, New Delhi and necessary infrastructure support is extended to IIHR, Bengaluru and CIAE, Bhopal for successful implementation of teaching programmes at these centres. The students admitted at these centres have full access to the PGS online management system for various teaching related activities. The students from these institutes can visit IARI and are provided access to different laboratories for undertaking any experiment committed in their thesis work.

6.5.3 - Activities and support from the Parent - Teacher Association (at least three)

• Parents are invited during Convocation and they are encouraged to give their feedback during the farewell programme organized in each Divisions for outgoing students. The students are felicitated for their academic and other achievements. Parents help in the mentoring and counselling of their wards as and when need arises

6.5.4 – Development programmes for support staff (at least three)

- Training programme for skill development are organized for supporting staff.
- Supporting staffs along with other staffs participate regularly in inter institutional sports activities organised by an institute under the administrative control of ICAR.
 New Pusa Recreation Centre (NPRC) has excellent facilities for indoor and outdoor games for support staff. The Centre helps the staff in personality development and maintaining physical fitness.
 Support staff can avail the facilities available in the IARI Dispensary.
 Support staff has representatives in IJSC who help in implementation of institute welfare schemes.

6.5.5 – Post Accreditation initiative(s) (mention at least three)

- The courses have been revised following the 5th Deans Committee Report BSMA (Broad Subject Matter Area) guidelines The outreach programme has been strengthened by recognising more institutes as partners in academic activities
- New courses have been added to broaden the knowledge of students with a view to inculcate soft skills The students thesis research is aligned with the research programme of Divisions so as to compliment each others' efforts

6.5.6 – Internal Quality Assurance System Details

a) Submission of Data for AISHE portal	Yes
b)Participation in NIRF	Yes
c)ISO certification	Yes
d)NBA or any other quality audit	Yes

6.5.7 - Number of Quality Initiatives undertaken during the year

Year	Name of quality initiative by IQAC	Date of conducting IQAC	Duration From	Duration To	Number of participants
2017	Research Advisory Committee	21/12/2017	24/12/2016	21/12/2017	40
2017	Academic council	08/02/2017	30/11/2016	08/02/2017	39

	meeting				
2017	Academic council meeting	07/07/2017	08/02/2017	07/07/2017	41

Grading, packing and post-harvest management	08/07/2017	28/07/2017	20	0
Preservation of fruits & vegetables	08/09/2017	08/09/2017	17	3

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

• Solar panels have been installed on roof tops of Divisions, mela ground, NRL building, etc which generated 2 MW (25) of electricity • The Institute has well-knit protocols/ procedures for the collection and disposal of different kinds of wastes (chemical, biological, radioactive, universal and recyclable) from the laboratories, hostels and research farms. • Radiological safely office is operating in the Institute which takes care of the procurement of radioisotopes and biomolecules for research, collection of wastes on regular basis and its disposal in the designated Gamma garden.

7.1.3 – Differently abled (Divyangjan) friendliness

Item facilities	Yes/No	Number of beneficiaries
Physical facilities	Yes	9
Provision for lift	Yes	9

Ramp/Rails	Yes	9
Rest Rooms	Yes	9
Scribes for examination	Yes	9

7.1.4 – Inclusion and Situatedness

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

• Biomass waste is collected and converted into compost under waste to wealth programme at Biomass Utilization Unit • Institute has developed Pusa decomposer technology for in-situ residue management which is used on the campus and extensively used in Uttar Pradesh, Punjab and Haryana states help minimize paddy straw burning. • Institute has installed solar panels and generates 2 MW of electricity • Water harvesting ponds and recharge wells created for water harvesting and recycling of waste water • Waste water treatment plant to treat waste water and used for irrigation • Waste paper recycling plant installed to reuse waste papers

7.2 - Best Practices

7.2.1 – Describe at least two institutional best practices

The two best practices of IARI are: (A) VARIETIES OF CANOLA QUALITY INDIAN MUSTARD (BRASSICA JUNCEA) -FOR BETTER HUMAN HEALTH AND IMPROVED FARM INCOME 1a. Objectives of the Practice Rapeseed mustard is a traditional, indigenous and the most important edible oil crop in India. The presence of two antinutritional factors, erucic acid in seed oil and glucosinolates in seed meal cake, the nutritional value of rapeseed-mustard is continuously challenged by the health experts. To create value and improve the acceptance of rapeseedmustard seed oil and meal, anti-nutritional factors such as erucic acid in oil and glucosinolates in the de-oiled cake need to be reduced through genetic options. 1b. The Practice Breeding efforts have been underway in India since 1970 for reducing the erucic acid and glucosinolates to internationally accepted Canola standards. Thirty exotic single zero/ canola lines including Zem-1 and Zem-2 of B. juncea Torch, Tobin, Candle and Span of B. rapa Tower, Altex and Westar of B. napus were introduced for testing in India. However, the introduced strains were not adaptable to Indian hot and dry growing conditions, therefore, initial efforts laid emphasis on the development of genetic stocks for low erucic acid and/or low glucosinolate in the indigenous cultivars using exotic donor sources. The zero erucic mustard developed by Kirk and Oram (1981) has been utilized by Indian scientists for transferring zero erucic traits to Indian mustard varieties. Australian and Chinese double low lines were used as donors for canola traits. These efforts led to the development and release of the first double low variety 'GSC-5' of B. napus, and the first low erucic acid variety 'Pusa Karishma' of B. juncea in 2003 and 2005, respectively. This first low erucic acid variety of Indian mustard has a limited preference among the farmers and traders due to its small seed size, though establishing a benchmark for the development of low erucic Indian mustard varieties with better productivity and market acceptability. Consistent efforts at ICAR-IARI, New Delhi has led to development of two double zero and seven single zero varieties of Indian mustard. (B) BREEDING HIGH YIELDING AND WIDELY ADAPTED VARIETIES OF LENTIL AND CHICKPEA 1b. Objectives of the Practice Lentil is cultivated by small and marginal farmers as rainfed crop in Central India. It is grown on residual moisture of rainy season. The crop suffers from terminal moisture stress. Early maturity of about 100 days can help this crop in escaping terminal moisture stress. Bold seed size is another essential requirement of lentil. However in Eastern and Northern India, medium bold to small seeded types are preferred. Chickpea (Cicer arietinum L.) is a rich source of nutrition and is ranked second amongst food legumes after common bean as far as its production is concerned. The single largest share of chickpea production(65, 9.0 MT) is held by India, followed by Australia (14) in total world production (Merga et al., 2018). To attain self-sufficiency by 2050, the total pulse production in the country needs to reach 39 MT (Vision 2050, IIPR) and amongst all pulses, chickpea production alone needs to reach about 16 to 17.5 MT from a limited area of about 10.5 m ha with an average productivity of 15-17 q/ha. 2b. The Practice L 4717: Notified and released in 2017. Recommended

```
for Central Zone comprising states of Madhya Pradesh, parts of Uttar Pradesh
  and Rajasthan and Chhattisgarh. Suitable for timely planting under rainfed
conditions in Central Zone for Rabi season. Average yield is 12-13 q/ha. L 4717
  is resistant to powdery mildew disease and moderately resistant to fusarium
wilt and ascochyta blight. It exhibited earliness, with mean maturity 100 days
  (over years and locations). Biofortified with Fe concentration of 65ppm. L
 4727: Notified and released in 2018. Recommended for Central Zone comprising
      states of Madhya Pradesh, parts of Uttar Pradesh and Rajasthan and
Chhattisgarh. Suitable for timely planting under rainfed conditions in Central
Zone for Rabi season. The average yield is 11.5 to 14.5 q / ha. Exhibited yield
superiority of 23.7 percent over the best check IPL 316. Mean maturity duration
 is 103 days. Moderately resistant to wilt in Central Zone. Seed size is bold
    with 100 seed weight of 3.1gm. L 4729: Notified and released in 2020.
  Recommended for Central Zone comprising states of Madhya Pradesh, parts of
  Uttar Pradesh and Rajasthan and Chhattisgarh. Suitable for timely planting
under rainfed conditions in Central Zone for Rabi season. Bold seeded variety
 with attractive seed coat colour. Extra early variety maturing in 103 days.
Moderately resistant to wilt in Central Zone. Seed size is bold with 100 seed
weight of 3.2 gm. PDL-1 (Pusa Avantika): It has been released for cultivation
 under salinity conditions in Haryana and Uttar Pradesh. PDL-1 yielded on an
   average of 983.1 kg/ha under salt stress environment. It is also lodging
tolerant besides tolerances to drought and heat stresses. Its maturity duration
  is around 111 days under salt stress and 140 days under normal conditions.
 PSL-1 (Pusa Yuvraj): PSL-9 is recommended for Haryana and Uttar Pradesh for
salinity stress situation (ECe 6.0 dS/m). It has yielded on an average of 949.5
  kg/ha under salt stress environment This variety is also disease and pest
  resistant. PSL-9 matures in around 112 days under salt stress and 130 days
under normal conditions. Chickpea 1. Pusa Vijay (BGM 10-217): The variety has
 been recently identified and released in UP by UP SVRC for UP and adjoining
areas. It is timely sown desi variety with ability to withstand drought and has
an yield advantage of 10.83 percent over checks with yield potential of 2.7t/ha
 and average yield of 2.1t/ha with high degree of resistance to fusarium wilt
  and drought. 2. BG 4005: Pusa 4005 is a marker-assisted backcross breeding
  (MABB) derived drought tolerant introgression line of desi chickpea variety
  Pusa 362 possessing "QTL hotspot" region conferring drought tolerance. It
   recorded an overall weighted mean yield advantage of 18.8 over the best
 national check (JAKI 9218) with an overall weighted mean yield of 1618 kg/ha
  and has an yield potential of 1940 kg/ha under drought conditions in north
   western plain zone (NWPZ) for which it has been identified. It is highly
resistant to Fusarium wilt and stunt and moderately resistant (MR) to Dry root
rot, collar rot and Botrytis Gray Mold. It has medium bold seed size (100-seed
weight of 22.4 g) and protein content of 17.17 . 3. Pusa Chickpea 20211 (Pusa
Chickpea Manav): It is a MABC derived wilt resistance introgression variety of
     chickpea developed suing the recurrent parent "Pusa 391" possessing
introgression of "QTL region" for wilt resistance on LG 2 having QTLs 1,3,4 5
from WR 315. The variety has been released for Central India in 2020 by Central
Variety Release Committee (CVRC), Department of Agriculture and Farmers Welfare
 (DACFW), Government of India for Central Zone comprising of Central Zone (CZ)
comprising of Madhya Pradesh, Chattisgarh, Maharashtra, Gujarat and Bundelkhand
   region of Uttar Pradesh the largest chickpea production zone in word. It
recorded an overall weighted mean yield advantage of 28 over recurrent parent
 Pusa 391 across all the centers tested in National WRIL Trials under AICRIP
over two consecutive years across central zone of testing namely, Rabi 2018-19
 (25 over Pusa 391 over six locations) and Rabi 2019-20 (30 percent over Pusa
391 over five locations). It has an overall weighted mean yield of 2392 kg/ha
and has an yield potential of 3915 kg/ha under wilt stress conditions over the
recurrent parent Pusa 391 which yielded 1877 kg/ha. 4. Pusa Chickpea 10216. It
is the Country's first drought tolerant desi chickpea vaiety developed through
```

Marker Assisted Backcross Breeding Programme introgressing the root QTLs for drought from ICC 4958 into Pusa 372. The variety has been released for Central India in 2019 by Central Variety Release Committee (CVRC), Department of Agriculture and Farmers Welfare (DACFW), Government of India for Central Zone comprising of Central Zone (CZ) comprising of Madhya Pradesh, Chattisgarh, Maharashtra, Gujarat and Bundelkhand region of Uttar Pradesh the largest chickpea production zone in world. It recorded an overall weighted mean yield advantage of 16 over recurrent parent Pusa 372 across all the centers tested in National DTIL Trials under AICRIP over two consecutive years across central zone of testing 5. Pusa Parvati: It was released for cultivation in Central India in 2019 comprising states of Madhya Pradesh, Maharashtra, Gujarat, Chhattisgarh and parts of Rajasthan. It is moderately resistant to Fusarium wilt, dry root rot and stunt. It is an erect desi chickpea variety suitable for machine harvesting and gives an average grain yield of 2.27 t/ ha in 112 days. 6. Pusa 3043: Desi chickpea variety released and notified (Central varieties) for release in 2018 for North East Plain zone of India comprising eastern UP, Bihar, Jharkhand, West Bengal, Assam. It is notable to mention that this is the first chickpea variety identified since last 15 years to this all-important zone. It has a breeder seed demand of 300q for 2020-21.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 - Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Towards sustainable food security and enhancing farmers income, IARI has developed and released twelve improved varieties of food crops during 2017-18. High yielding and superior quality wheat variety HI8777 is biofortified with higher iron and zinc content in the grains was released. The Pusa Basmati 1121 developed by the Institute has earned a cumulative value of Rs 50 lakh crores during 2008-2016, and brought prosperity to millions of farmers. An improved version of Pusa Basmati 1121 namedPusa Basmati 1718 was developed with inbuilt resistance to bacterial blight disease. Four biofortified maize hybrids were released. Towards protein nutritional security, a desi chickpea variety BG 3043 and an extra early maturing (120 days) pigeon pea variety PusaArhar 16, amungbean variety Pusa 1431, and a lentil varietyL 4727 were released. The Country's first double zero Indian mustard varietyPusa DoubleZero Mustard 31was released for Punjab, Haryana, Delhi, Jammu and northern Rajasthan. IARIalso released 18 varieties/hybrids in vegetable and flower crops. To bridge the phenotype-genotype gap, the Institute has established "Nanaji Deshmukh Plant Phenomics Centre (NDPPC)" which was inaugurated by Hon'ble Prime Minister of India, Shri Narendra Modi inaugurated and dedicated the "Nanaji Deshmukh Plant Phenomics Centre (NDPPC)" to the Nation on 11th October, 2017. During this year, 31innovative technologies of IARI were transferred to 14 industry partners. The National Agricultural Fair, Krishi Unnati Mela 2018 with a major theme of "doubling farmers' income by 2022"was organized during March 16-19, 2018. Hon'ble Prime Minister gave the Krishi Karman Awards and the Pandit DeenDayalUpadhyaya Krishi ProtsahanPuraskars to the farmers during the mela. As planned for this year, three per cent of the total number of seats in each scheme of admission in Ph.D. open to Indian nationals are reserved for differently abled candidates. IARI played key role in establishing Advanced Centre for Agricultural Research and Education (ACARE) at Yezin Agricultural University(YAU), Myanmar and revision of syllabi for Post-GraduateCourses of YAU,Myanmar.IARI faculty has delivered twelve courses during the 1stsemester of

the academic session 2017-18 at ACARE. To maintain academic integrity, 1526 documents inthe form of thesis and manuscripts prior to submissionwere subjected to web-based software 'Turnitin'. Faculty and students of IARI have published Research papers 620 research papers in peer reviewed journals with International Impact factor. The 56thConvocation of thePost Graduate School of the IARI was held on February 9, 2018. Hon'ble President of India, Shri Ram Nath Kovindgraced the function as Chief Guest. During this Convocation, 237 candidates (133 M.Sc., 7 M.Tech. and 97 Ph.D.)were awarded degrees including 14 (12 M.Sc./ M.Tech. and 2 Ph.D.) international students. Based on the National Institutional Ranking Framework (NIRF) India Rankings 2018 by the Ministry of Human Resource Development (MHRD), IARI has been awarded the status of 'Special Mention Institution'. The Institute received ISO 9001:2015 certificate for quality management system.

8. Future Plans of Actions for Next Academic Year

1. To enhance the research outcome of faculty and students: Faculties will be encouraged to bring external funded projects, and to conduct basic and strategic research leading to high quality research publication, patents, copy rights and technologies. 2. To promote agri-entrepreneurship and startups through Agribusiness Incubation programmes. 3. To strength research skills of students and faculty through National Agricultural Higher Education program 4. Promotion of digital solutions: IARI will strengthen E-Granth and Krishikosh for promotion of open access policy, subscription of electronic journals and e-books for library. 5. To complete establishment of Advanced Centre for Agricultural Research and Education (ACARE) at Yezin Agricultural University, Myanmar 6. To strengthen inter-institutional collaboration Nationally and International collaboration in education and research. 7. To strengthen research facilities with new equipments, and initiation of construction of new hostels for students. 8. To establish facilities in the different disciplines for the easy accessibility of differentially abled students and staff under Accessible India Campaign 9. School-wise plan: a) School of crop improvement: To utilise germplasm resources for identification of donors and genes, and to develop crop varieties with innate resistance to biotic and abiotic stresses, less input requirements, enhanced quality and yield using new breeding technologies for improving farmers income. b) School of Horticulture: Development of varieties and hybrids of vegetables, fruits and flowers for enhancing nutrition security of consumers and livelihood security of farmers. c) School of Basic Sciences: To decipher phenotype-genotype relationship using high throughput phenomics and genome editing. d) School of Crop Protection: To develop diagnostic kits for pathogen detection, Chemo and bioprospecting for agrochemicals through design, discovery and development of novel processes, and RNAi approaches for management of pest and diseases. e) School of Natural Resource Management: To develop methods for crop and resources management and solutions to crop residue burning by using Remote Sensing and GIS approaches, develop crop and resource management technologies including microbiomes, and strategies to minimize global warming potential of crop management technologies for enhancing productivity and environmental sustainability. f) School of Social Sciences: The social sciences and technology transfer research will focus on impact assessment, technology transfer through demonstrations and IARI-Post Office Linkage model, Krishi Mela, Farmers trainings, Mera Gaon Mera Gaurav, and promote nutrition through A2N (Agriculture to Nutrition) model and empowerment of women in agriculture and mainstreaming of gender issues
