Inauguration of the IARI Graduate School Annual Sports Meet 2024

The IARI Graduate School Annual Sports Meet was inaugurated on 15 May 2024 by the esteemed Director of the Indian Agricultural Research Institute (IARI), Dr. A.K. Singh.

The inaugural event took place in the evening, marked by an impressive March past and the ceremonial declaration of the meet open by Dr. Singh. In his inaugural address, he has highlighted the immense value of sports in daily life, encouraging both students and staff to actively participate and integrate physical activity into their routines for overall well-being and fitness.

In a display of enthusiasm and support for the sporting spirit, Dr. Singh cycled around the ground and actively participated in the festivities by observing various sports events. During his inaugural address, he highlighted the significant role of sports in maintaining a healthy lifestyle and emphasized the importance of integrating physical activity into daily routines. The sports meet, coordinated by Dr. Dinesh Kumar, the Sports Coordinator of The Graduate School, ICAR-IARI, will continue from 16 to 20 May 2024. He has played a pivotal role in organizing and coordinating this event, ensuring its smooth execution and success. The events are scheduled to be held during the evening hours, starting from 5:30 PM onwards. The competitions will take place at Vasant Ground and Nehru Centre Ground. All interested staff and members of the IARI community are encouraged to attend and enjoy the sports events, fostering a spirit of camaraderie and well-being.
