National Agriculture Market eNAM For Farmers

A pan-India trading portal, National Agriculture Market (NAM) is designed to create a unified national market for agricultural commodities.

- Farmers can showcase their produce online from their nearest market and traders can quote price from anywhere
- Results in increased number of traders and greater competition
- Ensures open price discovery and better returns to farmers
- On launch day, first big step covers 23 commodities and 21 markets across 8 states
- To cover 400 markets by March, 2017 and 585 by March, 2018 pan-India
