# File No: 50-26/WPRS/19-20/NAHEP(71-01)

Date: 20/12/2019

Dear Sir,Madam

### Sub: INVITATION FOR QUOTATIONS FOR SUPPLY OF Waste Paper Recycling System

1. You are invited to submit your most competitive quotation for the following goods:-

Brief Description of the Goods	Specifications *	Quantity	Delivery Period	Place of Delivery	Installation Requirement if any
Waste Paper Recycling System	Annexure – I	01	•	Division of Plant Physiology, IARI, Pusa Campus, New Delhi - 110012	As per terms and conditions.

\* Where ISI certification marked goods are available in market, procurement should generally be limited to goods with those or equivalent marking only.

2. Government of India has received a financing from the World Bank towards the cost of the said Equipment/Item **under NAHEP-CAAST (71-01) Project** and intends to apply part of the proceeds of this financing to eligible payments under the contract for which this invitation for quotations is issued.

### 3. **Bid Price**

- a) The contract shall be for the full quantity as described above. Corrections, if any, shall be made by crossing out, initialing, dating and re writing.
- b) All duties, taxes and other levies payable on the raw materials and components shall be included in the total price.
- c) Sales tax in connection with the sale shall be shown separately.
- d) The rates quoted by the bidder shall be fixed for the duration of the contract and shall not be subject to adjustment on any account.
- e) The Prices shall be quoted in Indian Rupees only.
- 4. Each bidder shall submit only one quotation. Bidder shall not contact other Bidders in matters relating to this Quotation.
- 5. Validity of Quotation

Quotation shall remain valid for a period not less than 15 days after the deadline date specified for submission.

### 6. **Evaluation of Quotations**

The Purchaser will evaluate and compare the quotations determined to be substantially responsive i.e. which

- (a) are properly signed ; and
- (b) conform to the terms and conditions, and specifications.

The Quotations would be evaluated for all the item together/would be evaluated separately for each item. [Select one of the options].

Sales tax in connection with sale of goods shall not be taken into account in evaluation.

#### 7. Award of contract

The Purchaser will award the contract to the bidder whose quotation has been determined to be substantially responsive and who has offered the lowest evaluated quotation price.

- 7.1 Notwithstanding the above, the Purchaser reserves the right to accept or reject any quotations and to cancel the bidding process and reject all quotations at any time prior to the award of contract.
- 7.2 The bidder whose bid is accepted will be notified of the award of contract by the Purchaser prior to expiration of the quotation validity period. The terms of the accepted offer shall be incorporated in the supply order.

# 7.3 Successful Bidder should submit 10% of Total Cost of Equipment as Performance Guarantee after receiving the Purchase/Supply Order.

- 8. Payment shall be made only after the receiving of Good/Equipment, Performance Guarantee and satisfactory installation.
- 9. Normal commercial warranty/ guarantee shall be applicable to the supplied goods.
- 10. You are requested to provide your offer/Sealed Quotation latest by <u>13.00 hours on</u> <u>26/12/2019</u>.

11. We look forward to receiving your quotations and thank you for your interest in this project.

(Purchaser)

Name: Assistant Admn. Officer. Address: Division of Plant Physiology, IARI, Pusa Campus, New Delhi - 110012 Tel. No. 011 25842815. Fax No.

# ANNEXURE-I

### Technical Specification of Waste Paper Recycling System

1.       Beater: Stainless Steel (SS-304) Beater with a capacity 2 Kg with a rotor should have adjustable blades       One unit         should have adjustable blades       Motor: Induction Motor       One unit         2.       Pulper : Stanless Steel (SS – 304) chamber for pulping waste paper       One unit         Capacity : at least 3 Kg per charge       Motor : Induction Motor       One unit         Power source : Single Phase       One unit       One unit         3.       Steel tank SS 304 with stainless steel wire meshes for spreading the paper pulp and capable of lifting paper of size 18" x 23" with all accessories (including Phosphr bronze bushes)       One unit         4.       Screw press size 18" X 23" fitted on a rigid base with accessories water channel for water outlet.       One unit         5.       Calendaring Machine, size 20"       One Unit         Motor: Induction Geared Motor with photo-sensor safety device.       One unit         Power: Single Phase       One unit         6.       Manual Paper Cutter, size 24", with an Alloy steel hardened sharp paper on unit       One unit         7.       Complete set of tools & accessories consisting of couching table, couching baade       One unit         7.       Complete set of tools & accessories consisting of couching table, couching       One unit         8.       On-site installation and training of 5-6 people       One year Warranty <th>-</th> <th>inical Specification of Waste Laper Recycling System</th> <th></th>	-	inical Specification of Waste Laper Recycling System
