

## Agripreneurship Development Program on Skill Development in Biofertilizer Application & Compost Technology to be held 14 to 18 October 2024

**AGRIPRENEURSHIP DEVELOPMENT PROGRAM**  
**SKILL DEVELOPMENT IN BIOFERTILIZER APPLICATION AND COMPOST TECHNOLOGY**

**14-18 OCTOBER 2024**  
ZTM & BPD Unit and Division of Microbiology, ICAR-IARI, Pusa, New Delhi 110012

**Last date to register:**  
**11 OCTOBER, 2024**

**Contact:**

For more information visit:

### Objective:

- To popularize application of Biofertilizers for crop production among the farming community.
- To impart training on compost technology for rapid biodegradation of agri-residues.

### Outcomes of training:

It is imperative to create mass awareness on the use of good quality biofertilizers along with recycling of agri-residues for developing skilled personnel for precise composting technology for rapid biodegradation of agro-wastes. Besides this, the latest knowledge about different types of biofertilizers will make the end-users more confident in its mass application for sustainable agriculture.

After completing this training, trainees will have hands-on experience on different types of biofertilizers, their application protocol; composting technology and visiting a production site will also be included in the training for participants to widen their horizon and provide information about layout and general operations of a compost manufacturing plant and biofertilizer production process. Training on production and use of microbial inoculants, compost and vermicompost and their use in organic

farming can play a crucial part in translating the new production technologies into practical alternatives for sustainable agriculture.

### **Training Details**

**Date:** 14th to 18th October, 2024 (5 Days)

**Course Director:** Dr. Livleen Shukla, Principal Scientist, Division of Microbiology, ICAR-IARI, New Delhi

**Course Co-director:** Dr. Brijesh Kumar Mishra, Principal Scientist, Division of Microbiology, ICAR-IARI, New Delhi.

**Course Coordinator:** Dr. Aakriti Sharma, Incharge, ZTM & BPD Unit, ICAR-IARI, New Delhi.

**Course Co-Coordinators:** Dr. Dolamani Amat and Dr. Krishnashis Das, Scientist, Division of Microbiology, ICAR-IARI, New Delhi.

**Venue:** ZTM & BPD Unit and Division of Microbiology, ICAR-IARI, Pusa, New Delhi - 110012

**Training Cost** (per candidate): **Rs. 3000/-** (excluding boarding and lodging).

(Request your accommodation on email- [adp.ztmbpd@gmail.com](mailto:adp.ztmbpd@gmail.com) and accommodation can be provided as per the availability at IARI, PUSA, New Delhi).

Please make payment to the following account number:

Bank Name	CANARA BANK
Name	PUSA TAKSAY
Account Branch	19029-IARI, PUSA CAMPUS, DELHI 110012
IFSC	CNRB0019029
Account No	120000469441

**Who can apply:** Agripreneurs educated at least 10th standard, preferably science/ agriculture graduates interested in organic farming.

**No. of trainees:** Minimum 25 (First come first serve basis)
