

ANNOUNCEMENT

2nd Hands-On Training Program on

Instrumentation Techniques for Analysis of Soil, Plant and Water (7-16 May, 2025)

Organized by

**Division of Soil Science and Agricultural Chemistry, ICAR-Indian Agricultural Research
Institute, New Delhi
&
The Academy of Natural Resource Conservation and Management (ANRCM), Lucknow**

Sponsored by

**The Academy of Natural Resource Conservation and Management (ANRCM), Lucknow
&
Indian Farmers Fertilizer Cooperative (IFFCO) Limited, New Delhi**

INTRODUCTION

The ICAR-Indian Agricultural Research Institute (IARI), New Delhi a premier organization of the Indian Council of Agricultural Research, is a seat of great scientific achievements and an excellent centre of learning. The Division of Soil Science and Agricultural Chemistry is one of its oldest disciplines with high level of faculty expertise. Based on the long experience in human resource development and in view of the fast-changing scenario of soil analysis and instrumental methods and their applications, the Division conducts various training programme with desired emphasis on practical exercises and theoretical background of the subject suiting a wide range of applications. The purpose of the present training programme is to effectively utilize the R&D infrastructure and expertise of the faculty to benefit students in the area of natural resource management.

OBJECTIVES

The training will be conducted with the major objective of imparting training on existing instrument facilities related to soil, plant and water analysis and exposing the participants in maintenance and up keeping of the equipment.

ABOUT THE COURSE

The training course is meant for students working in agricultural universities/research institutes/soil testing laboratories/research centers etc. The participants will be exposed to the various laboratory instruments including their handling and working principles. Day-to-day maintenance as well as up-keeping of the instruments will also be an important part of this training program.

ELIGIBILITY & SELECTION CRITERIA

Post-graduate and doctoral students of ICAR institutes and UGC accredited Universities/Colleges, who are working or intended to work in the area of soil, plant and water analysis are eligible to apply in the prescribed format given in the last page. Maximum 20 applicants will be selected for this course based on first-come-first-serve.

TRAINING FEE & FINANCIAL LIABILITY

There is a non-refundable training fee of Rs. 2,500/- per candidate (only for selected candidates) for this course. Please note that no boarding/lodging will be provided. However, working lunch and session tea will be provided.

IMPORTANT DATES

Last date for receipt of applications at ICAR-IARI: **1 May, 2025**

Release of admission letters: **2 May, 2025**

Payment of training fee: **4 May, 2025**

Duration of the training: **7-16 May, 2025**

HOW TO APPLY?

The application as per the given format, complete in all respects and duly signed by the competent authority, should be sent to ssacphipps@gmail.com latest by **1 May, 2025**.

APPLICATION FORM
2nd Training Program on
“Instrumentation Techniques for Analysis of Soil, Plant and Water”
(7 to 16 May, 2025)

Name of the candidate.....
(in block letters)
Designation..... Age (yrs).....
Mailing address (with PIN Code)
.....
.....
Tel. No. (with STD Code) office.....
Residence.....Mobile.....
E-mailFax.....
Educational qualification.....
Working Area/Specialization:
Experience: Laboratory yrs; Field yrs
Nature of present job.....

Signature of the Applicant with date

Declaration by the Competent Authority

This is to certify that the information furnished above is correct. If the candidate is selected and intimated accordingly, he/she will be relieved to participate in the said training at IARI, New Delhi.

Signature of the Competent Authority
with Seal

Dated.....
