ZTM & BPD Unit and the Division of Soil Science and Agricultural Chemistry, ICAR-IARI, are organizing an Agripreneurship Development Program titled “Pusa STFR Meter for Developing Entrepreneurship in Soil Testing” from 8th -13th December, 2025.

Objective:

- To improve awareness and skills of the participants in operation and handling of Pusa STFR Meter for soil testing
- To promote entrepreneurship in soil testing and fertilizer recommendation

Outcomes of Training:

After completing this training, trainees will have hands-on experience in soil testing with the Pusa STFR meter well as conventional methods. The participants will learn about the handling and maintenance of laboratory equipment used in soil analysis. The training is particularly beneficial for self-entrepreneurs interested in setting-up soil testing facilities, especially in rural areas. The knowledge of Pusa STFR meter would enable the participants to start mobile soil testing facility.

Identified team of experts:

Course Director: Dr. Debarup Das, Scientist, Division of Soil Science and Agricultural Chemistry, ICAR-IARI, New Delhi

Course Co-Director: Dr Akriti Sharma, In-charge, ZTM and BPD Unit

Course Coordinators:

(1) Dr. Mandira Barman, Senior Scientist, Division of Soil Science and Agricultural Chemistry, ICAR-IARI, New Delhi

(2) Dr. Mahesh C. Meena, Principal Scientist, Division of Soil Science and Agricultural Chemistry, ICAR-IARI, New Delhi

Who can apply?

Agri-preneures with Graduation degree or above

Registration link - <https://pusakrishi.accubate.app/ext/survey/9580/apply>

No. of trainees: Maximum 20 (First come first serve basis)

Duration & Date: 8-13 December, 2025 (06 days)

Venue: ZTM & BPD Unit and Division of Soil Science and Agricultural Chemistry, ICAR-IARI, Pusa, New Delhi-110012
