

**ASSOCIATION OF
MICROBIOLOGISTS
OF INDIA (AMI)**

www.amiindia.info

Division of Microbiology

ICAR–Indian Agricultural Research Institute, New Delhi

under the aegis of

Association of Microbiologists of India (AMI)

is organizing a

Two-Day Workshop on

“Unlocking the Potential of Biomass: Innovations in Lignocellulosic Valorization and Microbial Biomass Products”

on the occasion of

INTERNATIONAL MICROORGANISM DAY

**17–18
SEPTEMBER
2026**

**AGRICULTURAL
ENGINEERING AUDITORIUM
ICAR–IARI,
NEW DELHI**

Celebrating the invisible
heroes of life for a
SUSTAINABLE FUTURE

PROGRAM HIGHLIGHTS

EXPERT LECTURES

Talks by eminent scientists
and subject experts on
cutting-edge research
and innovations.

E-POSTER SESSION

Platform to showcase
research findings and
innovative ideas through
electronic posters.

EXTEMPORE COMPETITION

Showcase your knowledge,
thinking and communication
skills in a lively scientific
competition.

KEY THEMES

Recent innovations in
lignocellulosic
biomass valorization

Microbial biomass
products and
their applications

Waste-to-wealth
and circular
bioeconomy
approaches

Microbial technologies
for sustainable
agriculture and
environment

Biofertilizers
and
biopesticides

Networking among
researchers, students,
industry and other
stakeholders

WHO SHOULD ATTEND

Scientists

Researchers

Faculty

Students

Entrepreneurs

Industry
Professionals

Policy Makers
